MERZ SCHALTGERÄTE GMBH + CO KG

OUR NEW WEBSITE IS ONLINE!

At the well-known address www.merz-schaltgeraete.de, are we presenting the new website of MERZ Schaltgeräte GMBH + CO KG, technically, optically and above all content revised and completely modernized.

In addition to a modern design, was the main focus of the redesign on adapting the content to the needs of our target groups.

In this way, regardless of whether you are a customer, partner or interested party, you get an even better overview of the core competencies and the entire range of MERZ switchgear services without much search effort.

Thanks to „Responsive Design“ you can now visit the site quickly and easily from your mobile device.

As usual, we will keep you up to date with news about the company, products and events on our new news page and with our newsletter, which is published 5 times a year.

Of course, we look forward to your feedback and are just as grateful for suggestions as for praise or criticism. We hope you enjoy exploring our new homepage.

For detailed advice about our services, we are of course also available to you personally at our company, at your location as well as on the phone, at any time.
