### Christmas wishes come true ...

Instead of the usual Christmas presents, this year we have transferred the designated amount to the charitable organization Rumänienhilfe Höning e.V.

Rumänienhilfe Höning e.V. is a young association which was founded 3 years ago and is setting up a great charity project in Romania. It all began in 2021 with the 1st charity delivery of electrical appliances. In the meantime, a building is rented there and a second-hand department store opened, where 4 women have been given permanent employment. In addition, courses are held on a wide variety of topics with "help for self-help". Free distribution campaigns for topics such as charcoal briquettes or groceries are currently taking place.
